

One-Two Letter Monograms

→Traditionally, single letter is first initial of woman's name; but first initial of surname for a man

→Two letter monogram, first name followed by last name

→Same size or second slightly larger

made to create **BERNINA**

7

Three Letter Monograms

→For individual, first initial, middle initial, last initial if all letters are the same size

→When middle is larger, is first initial of last name

→For married couple, one first initial on left; initial of his last name; then the other first initial

made to create **BERNINA**

8

Four Letter Monograms

→For double last names or hyphenated

→First name initials are on left and right

→Larger initials in middle

→Her first and last on left; his on right

made to create **BERNINA**

9
